

## Festival of Lights meets Harvest Fest

October 21, 2023 - AAPI of East Brunswick kicked off its first Harvest Fest by celebrating Diwali. And what better way to celebrate the festival of lights than to light up some diyas!

One of our core missions has been to promote cultural awareness within our neighborhoods. Witnessing such a diverse community of people unite in celebration of Diwali was truly awe inspiring. Thank you to everyone who helped us fold origami diyas and spread Diwali delight throughout East Brunswick's Historic District!

Please share pictures of your diyas with us. We'd love to see your creations and spread its light even further to our digital community.
